SNUFFIN'S CATERING MENUS

A FEW THANK YOU NOTES FROM HAPPY CLIENTS:

We selected Snuffin's Catering for our magnificent wedding at Thornewood Castle. It was truly the most amazing day of our lives and at the center of it all was Snuffin's. I cannot adequately express my appreciation for all that they did to make it a truly perfect event. The food was absolutely delicious and fresh despite temperatures in the 90's. The drinks were cold, glasses were kept full, guests were happy and everything went better than I ever imagined. I especially want to recognize **Jennifer with Snuffin's - she was so responsive to all of my "But what about this?" emails and I felt she was just as excited about our wedding as we were.** Save yourself the time and don't bother shopping around. Snuffin's and Jennifer are the best and you will be thrilled that you went with them for your special day too. Thank you, Snuffin's!

Layla & Ruben Obregon, Thornewood Castle

~~~~~

Thank you so much for everything you did to make our wedding a huge success. Kathy was awesome, the staff and bartenders impeccable, and the food delicious (so I'm told by many; we didn't get to taste ours until breakfast the next morning and it was still good). Thank goodness for the bridal basket!

It was a magical evening, full of love and goodness!

Debi and Brian Hall, Historic 1625 Tacoma Place

~~~~~

"I just had an outdoor wedding at our house and we used Snuffin's. From the beginning it was nice working with Sharon and everyone at Snuffin's. I could tell that they were very knowledgeable and that we were in good hands. When Snuffin's arrived they came in and started doing their work and **they were like the magical elves that you barely knew existed but were busy working, right there if you needed them and always pleasant.** I did not need to interrupt my wedding to give any direction at all and everything was done perfectly. They cut the cake, poured for the toast, walked around our large yard serving appetizers and left my kitchen cleaner than when they got there!

But most importantly I had a lot of guests go out of their way to tell me how great the food was! It really was great. When you eat from large buffets the food can be kind of bland, but their food was delicious! We had salmon and chicken Marsala and they were reasonably priced and great! I would recommend Snuffin's to anyone. They are very experienced, which allows you to relax, the servers could not have been better and the food is great tasting!

Susan and David, Private Home

~~~~~

"Someone long ago coined the phrase, "**you only get one chance to make a first impression**" and the Snuffin's crew not only delivered an outstanding first impression, you created wonderful life long memories for us.

You and the Snuffin's crew were efficient and courteous from the very moment you arrived, until we cleaned up and departed. We could not have made a better choice. From the quality of the food - to the presentation - to the service from yourself, the wait staff and bartender, Snuffin's exceeded our expectations."

Mike and Lois Umpstead, Laurel Creek Manor

~~~~~

"Here is the Caterer to choose for ease of planning, exceptional service and delicious food!! The catering service at our event could not have been more wonderful! Annie, the GM, is wonderful to work with! Right from the start, her menus and ideas were utilized with what we desired to blend into the perfect execution of service on wedding day! We are so pleased with Kathy and the staff who served the guests the delicious food we chose with perfect professionalism! Thank you, Snuffin's, for your part in making our event so special!"
